

Kenya

Colorado

Interactive Reading Guide

Individually- Write down what tourist attractions you think Kenya and Colorado have. How does tourism help a community?

Together- Share your thoughts.

Together- Decide which person will be partner A and which person will be partner B. Partner A read the Colorado tourism section of the brochure and partner B read the Kenya tourism section of the brochure.

Partner A- What are the main tourist attractions in Colorado? How do they help support the economy? Share the facts with your partner.

Partner B- What are the main tourist attractions in Kenya? How do they help support the economy? Share the facts with your partner.

Together Discuss- If you were working in the tourist industry what job would you like to have? How would you treat the tourists that come to your community? Is it important to respect other people's culture, view points, and rights? Why or why not?

Individually- Read the Government section of your brochures.

Together- Discuss how the Colorado government is organized. How do the functions of government help your community? How is the Kenya government similar to Colorado's?

Individually- Look at the picture of the Kenyan flag and Colorado flag. What do you think the flag symbolizes? Why do you think the colors and symbols stand for?

Together- Read about the Kenyan and Colorado flag. What do the flags represent? How does the flag inspire a community?

Partner A- Read the agriculture section of the Kenyan brochure then summarize the most important details for your partner.

Partner B- Read the agriculture section of the Colorado brochure then summarize the most important details for your partner.

Together- Finish reading both brochures. Complete a Venn Diagram highlighting the similarities and differences between the Kenyan community and Colorado community.
